PRESIDENT'S LETTER

Well boy's and girls - It's been a spell since the last news letter. I'd like to blame that fact on the mail, but truth be known, it's "Lady Hoss Jack's" fault. (nuff said 'bout that) There's been a lot go' in on since the last newsletter, the "BARN" & "TRAILER" are both finished. The folk's that's been braving the summer heat have heard me beat all my help's drums (and I promise this is the last time) but without these folks giving up their time, money, bringing equipment, their tools, and put'n up with Tom Jack, it wouldn't have gotten done this quick.

I'd like to personally thank Cole, Tom Jack, Well Digger, Lady Hoss Jack, Whiskey Ray, Lethal Larry, Mister Genn, Frisco Banker, Steel Eyed Deacon, Don Diego da La Vega, and Brandon (Tom Jack's future son-in-law) for their labor, camaraderie, & ideas. Saddle Rash & Rosie Rash furnished tractor & post hole digger as well as labor, idea's & being just plain fun to work with.

Just as important as those that did the actual labor are those that couldn't, but still wanted to help. We had \$750 donated for the barn materials. Thanks Waddie Bob, Red River Kid, Chuck Wagon Red, Steele Hightower, Mister Genn, Ringo Fire and Buffy, Kow Katcher, Bad Lands Catus Lil, Apache Dale and Angel n Action for part'n with your hard earned money.

Saddle Rash donated labor & materials to build the frame work for the target trailer, which seems to work real well. Thanks a bunch to everyone that had an interest in this project.

HOSS JACK

DAN BLOCKER, ACTOR

Well it has been a really hot summer and we want to thank everyone who has braved the dry heat and come out to shoot with our club, members and non members alike. I think we are all looking forward to some cooler weather, hopefully sooner not later. We are back to shooting six stages. Thanks go out to the brave few that made it to the last shoot even though there was a serious threat of bad weather.

It is getting close to that time of the year when the club will be electing officers for the year 2006. Please be thinking about this as we will be requesting nominations in the next few weeks.

Cole Bluesteele has been making plans for redoing the “BLOCK HOUSE”. Please get with him to see what you can do to help with this project. I hear he has really got some neat plans on how to improve this stage. We are looking forward to the unveiling of these plans.

If you are interested in seeing how much our range has improved over the years since it was first established, ask Tom Jack. He has some pictures that will really make you see how far we have come as a club.
